Uminda H. Aberathne

Full Stack Developer (React | Node.js | Flutter | Python) | AI &
Automation Enthusiast
Embilipitiya, Sabaragamuwa Province, Sri Lanka

Summary

I'm a self-taught Full-Stack Developer (React, Node.js, Flutter) who
specializes in building clean, scalable web and mobile apps for
businesses. Over 4 years, I've delivered solutions like custom ERPs/
CRMs and automation tools that directly boost client efficiency and
simplify complex operations.

Experience

Self-employed
Freelance Software Developer
2020 - Present (5 years)

Developed AI-powered mobile and web applications, integrating smart
